

## JAQK Wine

This boutique Cali winery has bottled the thrill of gambling with eight varietals (cabs, merlots, sauvignon blancs, chardonnays, and blends) with names like High Roller, Bone Dance, 22 Black, Pearl Handle, and Soldiers of Fortune, referencing 15th Century cards that depicted Jacks as defenders of the realm: Ogier the Dane (served Charlemagne), La Hire (Charles VII), Hector (King Priam), and Lancelot, who served Arthur when he wasn't out drunk and banging his wife.

*Only \$22-\$70 -- and gift packs come with a free deck of cards! Order online (in most states) at [JAQKCellars.com](http://JAQKCellars.com)*
