Total: 0 Comments

JAQK Cellars is a new wine brand that's fast becoming a house winner. These gambling themed bottles aren't your average vintage, with classy designs and bold names they shout for more fun, more games, and definitely more friends! The 2008 offering consists of 8 wines split into 2 collections available as single bottles or in gift sets.

NAPA VALLEY and SONOMA collection (USD220++):
 Higher Roller (2006 Cabernet), Black Clover (2006 Merlot), Soldiers of Fortune (2006 Shiraz), Pearl Handle (2007 Chardonnay)

CALIFORNIA collection (USD120++):
 22 Black (2006 Cabernet), Bone Dance (2006 Merlot), Her Majesty (2007 Chardonnay), and Charmed (2007 Sauvignon Blanc).

JAQK is currently available throughout the United States, and will be working on market introduction into China, Macau, Hong Kong, Singapore, Taiwan, and Japan by Spring 2009.
