{packaging love}: jaqk...

30 Sep 2010

Wine bottles seem to be natural canvas for great graphic design, but rarely does something come along that seems totally new and different in the realm of wine packaging. So, I'm loving these by [Jaqk Cellars](#). The both classic & modern patterns and cheeky, poker-esque icons have a lovely mix of feminine and masculine. It's no wonder that the founders of this winery are also [designers!](#)

*{For more fun wine design, I also love [these](#) by Swanson.}*
