

SPECIAL OCCASIONS

event planning

The stakes are high!!

Last night, we attended a private wine tasting by JAKQ cellars . . . it was amazing! We thought we were attending a wine mixer event, but lo and behold, it was a full tasting of their complete wine portfolio!

(JAKQ Cellars wine portfolio)

Inspired by the jack, ace, queen and king in a deck of cards, JAKQ wines has both a clever graphic bottle design (with a cool story to go along with each one) and an impeccably smooth wine to boot! Looking for gift ideas? Their flagship wine, the "High Roller" would make an excellent groomsman gift and any level of their "Topsy King" wine club would be a great thank you gift for a client.
