## JAQK Cellars Not the New Kid on the Wine Block Anymore

Each year, the Palm Desert Food & Wine Festival gives me the chance to taste new brands and concepts I may otherwise miss out on.

I was thrilled to catch up with one of my favorite wine guys from the previous year, David Dees of JAQK Cellars. JAQK's national sales manager was as affable as ever as he poured some delicious selections, including my new favorite, an inky Cab with rich sweet fruit called 22 Black.
