

TAVERNA
AVENTINE

Please join us for **JAQK Cellars' Fall tasting event at Aventine.**

Enjoy wine at Taverna Aventine, a drinking establishment built upon San Francisco history at the site of the 150 year-old seawall that marks the boundary of the infamous Barbary Coast.

Raise a glass with Winemaker, Craig MacLean (formerly of Cain Vineyards, Spring Mountain Vineyards, Chappellet, and others), while enjoying gourmet hors d'oeuvres in this speakeasy setting.

Start with the crisp 'Charmed' Sauvignon Blanc, then sip and sample the smooth, delicately viscous 'Pearl Handle' Chardonnay or the creamy 'Black Clover' Merlot – both perfect additions to your Thanksgiving table. Be sure to stay for a glass of the top-drawer 'High Roller' Cabernet, among others.
